

On Education

thought to the true education which should be imparted to children. When they have brought a child into the world, provided him with food, satisfied his various material needs and looked after his health more or less carefully, they think they have fully discharged their duty. Later on, they will send him to school and hand over to the teachers the responsibility for his education.

There are other parents who know that their children must be educated and who try to do what they can. But very few, even among those who are most serious and sincere, know that the first thing to do, in order to be able to educate a child, is to educate oneself, to become conscious and master of oneself so that one never sets a bad example to one's child. For it is above all through example that education becomes effective. To speak good words and to give wise advice to a child has very little effect if one does not oneself give him an example of what one teaches. Sincerity, honesty, straightforwardness, courage, disinterestedness, unselfishness, patience, endurance, perseverance, peace, calm, self-control are all things that are taught infinitely better by example than by beautiful speeches. Parents, have a high ideal and always act in accordance with it and you will see that little by little your child will reflect this ideal in himself and spontaneously manifest the qualities you would like to see expressed in his nature. Quite naturally a child has respect and admiration for his parents; unless they are quite unworthy, they will always appear to their child as demigods whom he will try to imitate as best he can.

With very few exceptions, parents are not aware of the disastrous influence that their own defects, impulses, weaknesses and lack of self-control have on their children. If you wish to be respected by a child, have respect for yourself and be worthy of respect at every moment. Never be authoritarian, despotic, impatient or ill-tempered. When your child asks you a question, do not give him a stupid or silly answer under the pretext that he cannot understand you. You can always make yourself understood if you take enough trouble; and in spite of the popular
