

The True Aim of Life

Consider the Divine Life as the most important thing to obtain.

*

Happiness is not the aim of life.

The aim of ordinary life is to carry out one's duty, the aim of spiritual life is to realise the Divine.

*

In the world, as it is, the goal of life is not to secure personal happiness, but to awaken the individual progressively towards the truth-consciousness.

*

It is not in order to be happy that we are upon earth, for in the present conditions of terrestrial life happiness is an impossibility. We are upon earth to find and realise the Divine, for the Divine Consciousness alone can give true happiness.

*

Do not live to be happy, live to serve the Divine and the joy that you will experience will be beyond all expectations.
