

Nature and the Forces of Nature

Nature is happy to be beautiful.

*

Nature rejoices at her beauty.

*

Beauty is the joyous offering of Nature.

*

Nature has a soul which blossoms very prettily.

*

All in Nature is spontaneously generous.

*

Abundance: Nature all at once gives to us generously and we have the joy of abundance.

*

Nature has an instinctive thirst for light.

*

Nature knows that one day she will realise.

*

It is man who has rendered Nature sorrowful.

*

Intimacy with universal Nature: this intimacy is only possible for those whose consciousness is vast and who are without preference and without repulsion.
