

## Centenary

Sri Aurobindo does not belong to a country but to the whole earth. His teaching leads us towards a better future.

When Sri Aurobindo left his body he said that he would not abandon us. And, in truth, during these twenty-one years, he has always been with us, guiding and helping all those who are receptive and open to his influence.

In this year of his centenary, his help will be stronger still. It is up to us to be more open and to know how to take advantage of it. The future is for those who have the soul of a hero. The stronger and more sincere our faith, the more powerful and effective will be the help received.

Sri Aurobindo came upon earth to announce the manifestation of the supramental world and not merely did he announce this manifestation but embodied also in part the supramental force and showed by example what one must do to prepare oneself for manifesting it. The best thing we can do is to study all that he has told us and endeavour to follow his example and prepare ourselves for the new manifestation.

This gives life its real sense and will help us to overcome all obstacles.

Let us live for the new creation and we shall grow stronger and stronger by remaining young and progressive.
