Behind all destructions, whether the immense destructions of Nature, earthquakes, volcanic eruptions, cyclones, floods, etc., or the violent human destructions, wars, revolutions, revolts, I find the power of Kali, who is working in the earth-atmosphere to hasten the progress of transformation.

All that is not only divine in essence but also divine in realisation is by its very nature above these destructions and cannot be touched by them. Thus the extent of the disaster gives the measure of the imperfection.

The true way of preventing the repetition of these destructions is to learn their lesson and make the necessary progress.

Integral wealth of Mahalakshmi: wealth of feelings and action in all fields of activity — intellectual, psychological and material.

Mahasaraswati's mission is to awaken the world to the need of perfection; but perfection itself belongs to the Supreme Lord alone; no one else can even know what it is.

Ma, please help me to have a clear representation of the four aspects of the Mother as described by Sri Aurobindo in his book The Mother.

In their aspect above the Overmind, in the higher regions, the aspects of the Mother have very simple forms and don't have multiple limbs.
