Politics is always limited by party, by ideas, by duties also — unless we prepare a government that has no party, a government that admits all ideas because it is above parties. Party is limitation; it is like a box: you go into the box (*Mother laughs*). Of course, if there were some people who had the courage to be in the government without a party — “We represent no party! We represent *India*” — that would be magnificent.

Pull the consciousness up, up, above party.

And then, naturally, certain people who couldn't come into political parties — that! that is truly working for tomorrow. Tomorrow it will be like that. All this turmoil is because the country must take the lead, must go above all these old political habits. Government without party. Oh, it would be magnificent!
