

The Divine and the Universe

Does the Divine exist in all things, even in the dustbin?

The whole universe is the manifestation of the Divine, but a manifestation which begins with a total unconsciousness of its origin and rises little by little towards this consciousness.

*

Do not forget even for a moment that all this has been created by Him out of Himself. Not only is He present in everything, but also He is everything. The differences are only in expression and manifestation.

If you forget this you lose everything. §

*

There is no end to the wonders of the universe.

The more we get free from the limits of our small ego, the more these wonders disclose themselves to us.

*

The Lord will possess His universe perfectly only when the universe will have become the Lord.

THE DIVINE WORKING IN THE UNIVERSE

The universe is a finite whole, but its content is infinite; the changes which occur in this infinity result from the action of Essence on substance, from the penetration, the permeation of quantity by quality, which brings about a constant and progressive organisation and reorganisation of the content of the universe.
