

Progress and Perfection

PROGRESS

Progress is the sign of the divine influence in creation.

*

Progress: the reason why we are on earth.

*

The purpose of earthly life is progress. If you stop progressing you will die. Every moment that you spend without progressing is one step closer to your grave.

*

From the moment you are satisfied and aspire no longer, you begin to die. Life is movement, life is effort; it is marching forward, climbing towards future revelations and realisations. Nothing is more dangerous than wanting to rest.

*

One has always something to learn and a progress to make, and in each circumstance we can find the occasion of learning the lesson and making the progress.

Progress: to be ready, at every minute, to give up all one is and all one has in order to advance on the way.
