

## More Answers from the Mother

Yes, it is quite possible if the mind is interested and engrossed in something more useful.

*So it would be better to reject the ideas I have about others and stop making mental constructions about people?*

Yes, it is preferable.

*Is it good for me to see X?*

That depends on what you mean by *seeing* him; if it is to exchange a few words or to do some work together from time to time, it does not matter. But long conversations should be avoided.

*What pleasure does one get out of making fun of others?*

Indeed, I fail to see what pleasure one finds in hurting other people's feelings. It is not nice and shows so much pretentious foolishness.

*Was it right to write this to you: "A man like Y thinks he is very disciplined. Where is his discipline when he talks like this?" Aren't my last words exaggerated?*

They may not be exaggerated, but in any case they are not very kind, and kindness is an indispensable step towards the widening and illumination of the consciousness.
