

On Education

Those who wish to help the Light of Truth to prevail over the forces of darkness and falsehood, can do so by carefully observing the initiating impulses of their movements and actions, and discriminating between those that come from the Truth and those that come from the falsehood, in order to obey the first and to refuse or reject the others.

This power of discrimination is one of the first effects of the Advent of the Truth's Light in the earth's atmosphere.

Indeed it is very difficult to discriminate the impulses of Truth from the impulses of falsehood, unless one has received this special gift of discrimination that the Light of Truth has brought.

However, to help at the beginning, one can take as a guiding rule that all that brings with it or creates peace, faith, joy, harmony, wideness, unity and ascending growth comes from the Truth; while all that carries with it restlessness, doubt, scepticism, sorrow, discord, selfish narrowness, inertia, discouragement and despair comes straight from the falsehood.
