

# *Harmony and Goodwill*

## HARMONY

Harmony: let us strive that the day may come when this will be the means and the end.

\*

Harmony is my aim and all that leads to harmony makes me happy.

\*

Integral harmony: harmony between things, harmony between people, harmony of circumstances and above all harmony of all aspiration directed towards the Supreme Truth.

\*

A harmonious collective aspiration can change the course of circumstances.

\*

Collective harmony is the work undertaken by the Divine Consciousness; It alone has the power to realise it.

\*

There is a deep and true consciousness in which all can meet in love and harmony.

\*

It is only in union with the Divine and in the Divine that harmony and peace can be established.

## Harmony and Goodwill

Surely we must always want peace and harmony and work for it as much as we can — but for that the best field of action is always within ourselves.

\*

Look for the inner causes of disharmony much more than the outer ones. It is the inside which governs the outside.

*4 July 1966*

\*

Do not worry or be impatient — all the disharmonies will disappear, but it must be on the true basis of a settled luminous consciousness leaving no room for the play of the ego.

\*

For all to agree, each one must rise to the summit of his consciousness: it is on the heights that harmony is created.

*April 1970*

\*

You must rise so high in your consciousness that it dominates the opposition. This is the solution.

*4 March 1971*

## COLLABORATION

Collaboration: ever ready to help and knowing how to do it.

\*

Collaboration does not mean that everybody should do the will of the man who asks for it. True collaboration is a non-egoistic union of all personal efforts to express and realise the Divine's Will.

\*

## Words of the Mother – II

We must replace competition and strife by collaboration and fraternity.

*2 July 1954*

\*

Substitute the spirit of rivalry and competition by the goodwill of collaboration and mutual understanding.

\*

It is when things are going wrong that it is the best opportunity to show one's goodwill and spirit of true collaboration.

\*

## GOODWILL

Indeed, the good will hidden in all things reveals itself everywhere to the one who carries good will in his consciousness.

This is a constructive way of feeling which leads straight to the Future.

\*

One should keep goodwill and love constantly in his heart and let them pour out upon all with tranquillity and with equanimity.

*16 December 1966*

\*

Good will for all and good will from all is the basis of peace and harmony.

*14 August 1969*

\*

Goodwill: of modest appearance, it makes no noise but is ever ready to be useful.

\*

Mental goodwill likes to show off a little, but is very useful.

\*

BENEVOLENCE

Benevolence makes life fragrant without attracting attention.

\*

A tireless benevolence, clear-seeing and comprehensive, free from all personal reaction, is the best way to love God and serve Him upon earth.

I mean a benevolence sincere and spontaneous in thought and speech and not a supposed benevolence in acts which is accompanied most often by a dreadful sense of condescending superiority serving chiefly as a platform for human vanity.

\*

TOLERANCE

Tolerance is full of a sense of superiority; it should be replaced by a total understanding.

\*

Tolerance is only the first step towards wisdom.

The need to tolerate indicates the presence of preferences.

He who lives in the Divine Consciousness regards all things with a perfect equanimity.
