

Nations Other than India

The Mussulmans are impulsive, the Israelites are rational.

(Message for the Sri Aurobindo Society, Osaka, Japan)

Japan was in the physical world the teacher of beauty.

She must not renounce her privilege.

Blessings.

All countries are equal and essentially “one”.

Each of them represents an aspect of the One Supreme.

In the terrestrial manifestation they all have the same right to a free expression of themselves.

From the spiritual point of view, the importance of a country does not depend on its size or its power or its authority over other countries, but on its response to Truth and on the degree of Truth it is capable of manifesting.
