### FEAR

Fear is always a very bad adviser.

\*

It is the fear — more or less conscious — which does almost all the mischief.

Without fear *nothing* can happen.

\*

Do not fear, keep your confidence, all these troubles will leave you.

With my love and blessings.

\*

Stop fearing and the bothers will stop also.

A child of mine cannot fear.

Blessings.

\*

My protection is always with you and nothing bad can happen.

But you must take the decision to shake off the fear and then my force can work fully.

*27 October 1937*

\*

Do not torment yourself, do not worry; above all try to banish all fear; fear is a dangerous thing which can give importance to something which had none at all. The mere fear of seeing certain symptoms renew themselves is enough to bring about this repetition.
