

Wealth and Government

If diplomacy could become the instrument of the Truth and the Divine Grace, instead of being based on duplicity and falsehood, a big step would be taken towards human unity and harmony.

About Peace

It is only by the growth and establishment of the consciousness of human unity, that a true and lasting peace can be achieved upon earth. All means leading towards this goal are welcome, although the external ones have a very limited effect; however, the most important, urgent and indispensable of all, is a transformation of the human consciousness itself, an enlightenment of and conversion in its working.

Meanwhile some exterior steps may be taken usefully, and the acceptance of the principle of double nationality is one of them. The main objection to it has always been the awkward position in which those who have adopted a double nationality would be in case the two countries were at war.

But all those who sincerely want peace must understand that to think of war, to speak of war, to foresee war is to open the door to it.

On the contrary, the larger the number of people who have a vital interest in the abolition of war, the more effective the chances towards a stable peace, until the advent of a new consciousness in man makes of war an impossibility.
