If you want to become conscious of my presence in you and to be delivered from hostile attacks, you must renounce any attempt to satisfy your desires. Only when the vital has lost all hope of seeing its desires satisfied does it consent to be spiritualised.

My help and blessings are with you.

It is indispensable to perceive the lower movements of your being, in a detached and scientific manner, as a witness with clear vision and insight. But you must never allow these movements to express and assert themselves as if they had the right to exist and govern the rest of the being. In other words, you must never act under the impulse of these movements, never physically translate their suggestions into speech or action, never permit their orders to be carried out in any inner or outer gesture.
