

## Words of the Mother – III

### ADVERSE FORCES

Each time that we have made a decisive step in our spiritual progress, the invisible enemies of the Divine always try to take their revenge, and when they cannot injure the soul they strike the body. But all their efforts are in vain and will finally be defeated, for the Divine Grace is with us.

\*

We must never give a chance to the adverse forces to do their mischief — they take advantage of the slightest unconsciousness.

\*

It is jealousy, selfish dissatisfaction and hurt vanity that open the doors of the consciousness to the hostile attacks by pulling one out of the Divine's protection.

It is only by refusing to allow these wrong movements to take place in oneself that one can hope to get rid of the adverse influence and its disastrous effects.

\*

It is a great ignorance that makes a being answer to the suggestions of the forces of darkness and destruction. With a true sense of gratitude for the Divine's infinite mercy, one would be saved from such dangers.

\*

*What are these suggestions that sometimes invade me?  
Do they not come from outside?*

Yes, they do come from outside, from some vital entity that is amusing itself by sending them to you to see how you will receive them. I saw the suggestion passing at the time I gave you the flower. I did not attach any importance to it because it was just foolishness — but I see that you received it.
