Discrimination and the Working of the Mother's Force

It is dangerous to think of giving up "all barrier of discrimination and defence against what is trying to descend" upon you. Have you thought what this would mean if what is descending is something not in consonance with the divine Truth, perhaps even adverse? An Adverse Power could ask no better condition for getting control over the seeker. It is only the Mother's Force and the divine Truth that one should admit without barriers. And even there one must keep the power of discernment in order to detect anything false that comes masquerading as the Mother's Force and the divine Truth, and keep too the power of rejection that will throw away all mixture.

Keep faith in your spiritual destiny, draw back from error and open more the psychic being to the direct guidance of the Mother's light and power. If the central will is sincere, each recognition of a mistake can become a stepping-stone to a truer movement and a higher progress.

How to recognise that a particular thought, feeling or impulse to action has come from the Mother herself and not from some universal force or anything else? If it is apparently a force from the Falsehood it can be recognised as such, but there are many others of a different character and sometimes one goes on thinking that they are prompted by the Mother from within.

It can only be done by discrimination, care, sincerity, a constant control with regard to the mind's movements and the growth of a certain kind of psychic tact which detects any mental imitation or false suggestion of its being the Mother's.
