

## Words of the Mother – II

Persist in your aspiration and your effort and you will succeed.

*12 June 1971*

\*

Continuity: knowing how to persist in one's effort.

\*

### PERSEVERANCE

Perseverance: the decision to go to the very end.

\*

Perseverance is patience in action.

\*

Perseverance breaks down all obstacles.

\*

Persevere and all obstacles will be conquered.

\*

Persevere — it is the surest way to success. What you have not been able to achieve in you last year, you will do this year.

With my love and blessings.

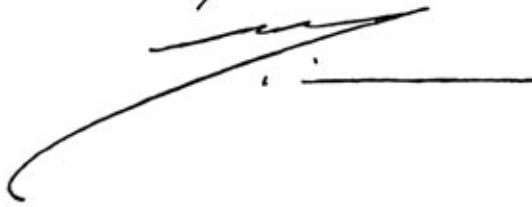

\*

Persevere in your aspiration and effort, do not allow yourself to be discouraged by setbacks. This always happens in the beginning. But if you continue to fight without paying any attention to them, a day will come when the resistances give way and the difficulties vanish. My help is always with you, but you must learn to use it and to rely on it rather than on your own resources.

*29 May 1956*

\*

What you are not able  
to do today, you will achieve  
tomorrow. Persevere and  
you shall conquer.

What you are not able to do today, you will achieve tomorrow.  
Persevere and you shall conquer.

\*

It is by *persevering* that one conquers difficulties, not by running away from them. One who perseveres is sure to triumph. Victory goes to the most enduring. Always do your best and the Lord will take care of the results.

1961

\*

*What is obstinacy? How can one use it best?*

It is the wrong use of a great quality — perseverance.

Make a good use of it and it will be all right.

Be obstinate in your effort towards progress, and your obstinacy will become useful.

## Words of the Mother – II

I already told you that my help is with you and will continue to be so — you are sure to reach the goal but you must be very perseverant. To be constantly in contact with the Truth is not easy and needs time and a great sincerity. But you can be sure of my guidance and my force.

With love and blessings.

### ENDURANCE

Endurance: going to the very end of the effort without fatigue or relaxing.

\*

Endurance is the capacity of bearing without depression.

\*

Cheer up, all will be all right, if we know how to last and endure.

\*

To know and be able to bear and endure, undoubtedly produces a firm and fixed joy.

\*

The most important is a steady, quiet endurance that does not allow any upsetting or depression to interfere with your progress. The sincerity of the aspiration is the assurance of the victory.

\*

A quiet endurance is the sure way to success.
